

Meetings

From the **Today** tab you can see and join meetings that you have scheduled or been invited to. You can also instantly start new meetings.

Switch to other tabs at any time:

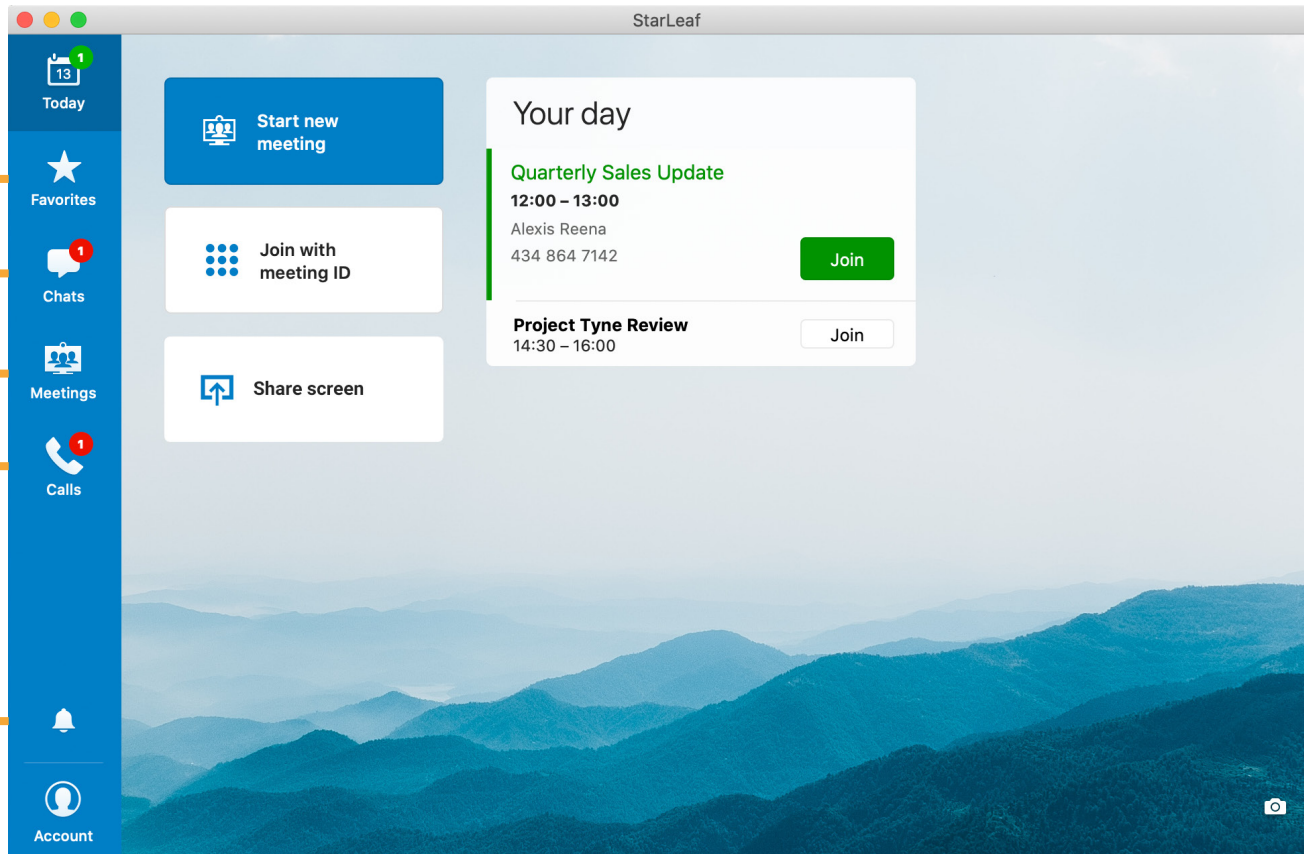

Shortcut to your favorite contacts

Shows all 1-to-1 and group chats

Schedule and view meetings

View your call history

Set **Do not disturb** to stop receiving notifications from StarLeaf

Access **Audio and video settings**, change your profile picture, and **Invite** a friend to StarLeaf

Customize the **Today** tab with your own wallpaper

Join a meeting

Scheduled meetings light up green ten minutes before they are due to start. Click the **Join** button to join the meeting.

You can also click **Join with meeting ID** to type in a meeting ID.

Find the meeting ID in a StarLeaf invite, scheduled calendar event, or from the meeting organizer.

Start new meeting

Instantly start a meeting and invite participants with a link or email.

Chats and calling

Search for a contact by typing their name in the Search or dial box

Create a new chat, group, or meeting

Add a contact to your Favorites

Make a video or voice call

View the contact's info

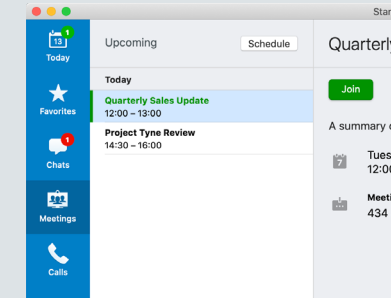

Share any file with a contact or group

Type and send a message with **Enter**. Use **Shift + Enter** to enter a new line

Schedule a meeting

Click **Schedule** from the the Meetings tab:

You are directed to the **StarLeaf Portal** where all meeting management takes place.
